

Arising Cleaning Services Confidentiality Agreement

If you would like your Cleaners to sign to acknowledge personal responsibility concerning security and confidentiality of information (relating to yourself as a domestic cleaning client) your cleaner will be happy to sign this form.

I acknowledge that during my cleaning in Client's homes, I may have access to confidential information about my clients that must not be disclosed to any other person unless in pursuit of my duties or without specific permission given by the client. I agree that this confidentiality applies during my working relationship with Arising Cleaning Services Clients and after the relationship ceases.

I acknowledge that confidential information includes all information relating to the Client, their premises and personal property.

If I am in doubt as to what information may be disclosed, I will check with the Client or a Arising Cleaning Services Manager.

I understand that I am bound by a duty of confidentiality and agree to adhere to this Code of Conduct and the requirements of the Data Protection Act 1998.
